ORLANDO (FL)

CLOSEST AIRPORT

Orlando International Airport (MCO)

Population: 2.5 Million

Community: Orlando is located in Central Florida and is home to some of the most famous theme parks in the world. The city also has many natural parks, golf courses, and over 2,000 lakes, making it a perfect setting for outdoor activities and water sports. The weather is mostly hot and humid all year long, with some cold days in the winter. Even though Orlando is a big city and a very popular touristic destination, the residential areas where students live and go to school have a small-town atmosphere and are very safe and friendly.
