SAN DIEGO (CA)

CLOSEST AIRPORT

San Diego International Airport (SAN)

Population: 1.5 Million

Community: San Diego is located in the south of California, approximately 120 miles (190 km) south of Los Angeles and immediately adjacent to the border with Mexico. San Diego is the eighth-largest city in the United States and second-largest in California. The presence of the University of California, San Diego (UCSD) with the affiliated UCSD Medical Center, has helped make the area a center of research in biotechnology. San Diego has great schools, beautiful residential areas and very safe and friendly communities. San Diego's practically perfect weather, the miles and miles of spectacular shoreline and world-class beaches, make it a great destination for outdoor sports and activities.

DISTRICT HIGHLIGHTS

California Distinguished School.

California Gold Ribbon Schools.
